

LIP projects worth \$107,554 approved

Seven projects, totalling \$107,554, and employing 39 people, have been approved for the riding of Victoria-Haliburton under the 1974-75 Local Initiatives Program by the Honourable Robert Andras, Minister of Manpower and Immigration.

Rama Reserve Community Development is a project of the Band Council to create work during peak periods of unemployment. Construction and improvements on park sites and at the Ojibway Bay marina are planned. An old school building will also be renovated. The project will receive \$36,218, and will employ 11 people from December 2 to May 31.

The Kawartha Local Community Centre of Burleigh Falls will construct a building to house Centre activities. It will also be a focal point for the Kawartha Local of the Ontario Metis and Non-Status Indian Association. Funded for \$20,019 and employing six people, the project will run from December 1 to May 31.

Approximately \$90,000,000 has been allocated for the 1974-75 Local Initiatives Program, now in its fourth year. The province of Ontario will receive \$13,806,000. The primary objectives of LIP are the alleviation of unemployment in areas where it is most severe, and to provide useful community services.

Other projects are:
Year Round Programming
Lindsay, 3 people, \$9,025.
Dec. 1/74 to May 31/75. The

Kawartha Festival Foundation will hire a staff to continue the summer program into the winter. The season would include major professional groups, as well as small recitals by young performers in the County.

Lindsay Public Library Archives

Project, Lindsay, 3 people, \$9,295., Dec. 2/74 to May 30/75. Project will preserve, classify, catalogue the collected Canadiana archives of the Lindsay Public Library. Collection now contains over 5,000 items of rare books, maps, etc. that need to be organized.

Community Concern, Lindsay, 3 people, \$10,254., Dec. 2/74 to May 25/75. A noon lunch program will be organized for children of single parents and those from low income families. A mental health worker will survey the county and set up a White Cross Centre for people released from mental and penal institutions. A group worker will organize an information centre and recreation program for teenagers.

Construction of New Legion Building, Lindsay, 7 people, \$10,413, Nov. 1/74 to March 31/75. To replace present, rundown building.

Bobcaygeon Community Improvement

Programme, Bobcaygeon, 6 people, \$12,330., Dec. 2/74 to March 15/75. Improvement of local community centre; construction of park bleachers and tables; improvement to fire hall.

Hunter's Horn receives \$40,000 EODC loan

Industry and Tourism Minister Claude Bennett has announced Eastern Ontario Development Corporation loans totalling \$585,680 to seven tourist establishments.

Hunter's Horn Inn Limited will use a \$40,000 EODC loan to winterize its main lodge and four of its sixteen cottages located near Haliburton.

Wolf control program is established

A while back the Haliburton County Council set up a Wolf Study Committee and at the suggestion of R. Glen Hodgson MPP. The committee decided to get in touch with Leo Bernier, minister of Natural Resources to see if a Predator Control Program for Haliburton could be set up.

The committee has received word back that this program has been initiated and funding has been approved for the Bancroft and Haliburton area.

This program will be carried out by the Ministry of Natural Resources.

burton.

Two firms catering to tourists in the Barry's Bay area will receive EODC assistance. Mount Madawaska Co-Operative Limited will use a \$90,000 loan to improve its year-round recreational facilities. Madawaska Valley Air Service will receive \$52,500 toward the cost of new buildings and equipment for its charter air service.

Dagmara Farm on Mississippi Lake near Carleton Place will receive \$41,000 to develop a year-round cottage resort.

The owners of Kanukawa Camp on Sullivan Lake near Deep River will receive \$54,780 to build motel units, an outfitting store and to purchase canoes and camping equipment.

An EODC loan in the amount of \$70,400 will provide funds to add 7 units to Clearview Terrace Motel on Highway 7 east of Peterborough.

La Salle Motel Co. (Kingston) Ltd. will use a \$237,000 loan toward the cost of renovating and refurbishing its 40-unit motel located on Highway 2 near Kingston.

15 cents

Lakeview Centre is the scene of Christmas activity. The local artists and craftsmen have been busy preparing for the Christmas Exhibition and Sale being held November 28 through until December 1. A few exhibitors from out of town will also be on hand to demonstrate their crafts. As the accompanying pictures show all the items are tastefully displayed with beautiful Christmas decorations adding a touch of Christmas spirit. It is hoped that many people in our County will support this effort with their attendance at the show. You may even leave with the desire to become involved with the Haliburton Highlands Guild of Fine Arts and take advantage of some of the courses which they are presently offering for 1975.

In Harcourt

Community Hall opening planned

The Grand Opening of the new addition to the Harcourt Community Hall will be held on Saturday December 7 from 6 to 8 p.m. at Harcourt, Ontario.

This lovely new addition is a Centennial Project and the community of Harcourt should be really proud of this achievement.

The new addition to the Community Hall is almost completed. This doubles the size of the former hall and includes a new modern kitchen and washrooms, coatroom and stage.

The cost was approximately \$42,000.00. Donations came from the Dysart Council and the Haliburton Rotary Club as well as from many local businesses and private citizens. There has been a busy schedule of fund

raising activities including the following: fun fair, garage sale, bake sale, turkey shoot, suppers and dances.

It has been necessary at this time for local residents to back a bank loan, but they still hope to receive some grant money from the Federal Government.

The campaign to raise money is still on with many letters of request being sent out and a Turkey Bingo is being planned for Monday, December 9.

Both children, teenagers and adults in the community have worked hard to make this possible and with their continued support, hopefully they can raise the additional funds necessary to pay the contractor and begin to pay the bank loan off.

To our knowledge this is

Meet the candidates night unsuccessful

The fact that only a handful of people turned up at the Arena Auditorium in Haliburton on Monday night for the "Meet The Candidates Night" proves to us that we have a satisfied electorate. The candidates were there, but only 25 people showed up to listen to them.

Those that were present heard speeches from the three members in the race for Deputy reeve and the three members running for a seat in Ward "2".

The evening started off with speeches from the three members running for the position of Deputy Reeve.

Leading off Gerald Barry told the gathering that although he had not been on council that he was at a disadvantage in quoting figures and statistics. He went on to say that there are two main items in his platform. One being that he is interested in bringing industry to the municipality which would bring with it employment opportunities and if we are to have Regional Government he would like to see to it that Haliburton County was kept as a unit.

Roy Brohm was the next speaker and he stated that with his experience that he felt that he had a lot to offer if given the opportunity to be deputy-reeve. He went on to say that he would stand on his record as in the past

he has been a dedicated councillor, deputy reeve and reeve. Mr. Brohm told the voters that he has set an all time record as he has never missed a meeting as a councillor, deputy reeve and reeve. This he said, "proves that I am 100 per cent dedicated to municipal business and to the Municipality of Dysart." In closing Mr. Brohm stated that a lot has been accomplished as there are no issues here to-night. He pointed out several things to back up his statement such as the new Extendicare hospital, addition to the library and other projects.

Lloyd Coneybear who is also contesting for a seat as deputy-reeve told the meeting that he feels that he is well qualified to be deputy reeve and has a great interest in the municipality as he has lived here all of his life and has his own business. Mr. Coneybear went on to say that you must be progressive and that as deputy-reeve he feels that he can get along with men by bargaining with them. He went on to say that at present he has the time to work at the job and feels that he would be an asset on county council. In closing he stated that he was sorry to see that nomination meetings are a thing of the past.

John Johnson led off the three members who are looking to be the representative in Ward 2. Mr. Johnson made it quite clear that he

see page two

Election Monday

This coming Monday, December 2 is election day in the various municipalities in Haliburton County. The polls will open at 11 a.m. and close at 8 p.m.

The advance poll in most municipalities was heavy and we look forward to a big poll come election day. There are some real good races on and we urge everyone to get out and vote.

Minden OPP report

Deer killed in accident on Highway 121

On Tuesday, November 19 at 1:15 a.m. a vehicle driven by Floyd W. Henry, 20, of Haliburton was westbound on Highway 121 about 3 1/2 miles east of Highway 35 when a deer crossed into the lane and was struck by the vehicle killing the deer. Estimated damage was \$500.00. The accident was investigated by Minden OPP officer, M.W. Hickey.

Brian A. McMillan, 21, of 807-65 Thorncliffe Pk. Dr. Toronto was treated for bruises at the Minden Red Cross Hospital on Thursday, November 21 when the vehicle he was driving was southbound on Highway 121 just north of Jet at Ingoldsby Road.

The driver applied the brakes for curve, the vehicle slid across the northbound

lane rolling onto its side in the ditch. A passenger in the vehicle Gordon Kendrick, age 19 of Lindsay was treated later for bruises. Damage was estimated at \$800.00 to the vehicle. OPP officer R.V. Telford investigated.

Barbara H. Bolin, 23, of R.R. 3, Keene, Ontario had her car parked at the Red and White Store on Highland Street in Haliburton on Friday morning November 22 at 9:45 a.m. When the driver left the vehicle it began to roll out of the parking lot, westbound across Highland Street. The vehicle struck a parked vehicle owned by Mark H. Brohm, of Haliburton, and then continued on striking a parking meter. OPP officer

W.A. Bibby investigated.

On Sunday, November 24 at 12:40 a.m. a vehicle driven by Victor G. Manser, 51, of R.R. 2, Minden was westbound on the Minden Road (South Lake) 1.9 miles west of Jet. 519. The vehicle travelled over a bump in the road, began swerving, entered the south ditch, striking a tree. Damage to the vehicle was estimated at \$3,000.00. The driver was treated for cuts and bruises at the Red Cross Hospital in Minden. His wife Pamela Manser, 44, was treated for fractures at the Minden Hospital. Minden OPP officer W.A.R. Buchanan investigated.

On November 21, 1974, Richard Paul Nicholas, 27, of Camden East, Ontario and

William Stuart Burns, 27, of Napanee, Ontario were arrested in Haliburton Village area. Nicolas and Burns have been charged with possession of stolen property and other charges are pending further investigation.

The investigation involving four officers and three cruisers took several hours.

On November 21, 1974, Jamie Chambers, of Carnarvon, reported his Datsun pick-up was stolen during the night. Investigation led to the recovery of the vehicle and one juvenile person has been charged.

From the period 8:00 a.m., November 18, 1974 to 8:00 a.m., November 25, 1974 there were nine Motor Vehicle Collisions reported and 52 General Occurrences.

Huskies split weekend games

The Haliburton Travelways Huskies split their weekend games as they won 3-0 over the Bobcaygeon Ti-Cats here on Saturday night and then lost 5-4 to Bancroft on Sunday afternoon.

Wayne Moxam earned his first shut-out in junior competition on Saturday night kicking out 35 shots. Mike Good opened the

scoring in the 1st period with Bev Hicks and Floyd Henry got an assisted goal at the half-way mark of the first period and added another in the 1st minute of the third period to give the Huskies the 3-0 win.

On Sunday afternoon the Huskies travelled to Bancroft and lost by a close 5-4 score. The Huskies outshot the Jets by 58 to 32 but were

unable to score on many good chances. Bev Hicks and Tim Curry scored in the first period to give the Huskies a 2-1 lead going into the second only to have Bancroft outscore them by 3 to 1 in the second period. Both teams scored once in the third. Floyd Henry and Rick Wood scored the other Haliburton goals. Dennis Good was in goal for the Huskies on Sunday playing his first game of the season.

There will not be a game this coming Saturday night as the Newcastle team, scheduled to play, have requested that the game be played on Sunday afternoon. So far this year the Saturday night crowds have been small so the Huskies are hoping a larger number of fans will be out for this Sunday game. Game Time: 2:30 p.m. Haliburton vs Newcastle.

Students present review

The Grade 12 students of H.H.S.S. invite all members of the community to attend their production of "Everyday People".

The students have tried something new this year, a presentation much different from other years..

Material, both published

and original, has been organized into a review.

The review shows different aspects of family life; the good and bad times, as well as the sad and happy times. The production takes place December 6 and 7 at 8:00 p.m. Don't miss it!

Meet the candidates

was new at the game of municipal politics and is not offering any big promises. He also made it quite plain to the meeting that he would always be on hand to listen to any problems that anyone may have.

Gary McKnight was the next speaker and stressed the fact that he was a young man himself and believes that young people should take a more active part in municipal affairs. In his pitch to the voters he stated that he came to the meeting with just one promise and was if elected as your representative in Ward 2 would work hard and honestly for everyone.

Nancy O'Neil the final speaker of the evening said that she has always been interested in civic administration and if elected she

would contribute her time and energy to the common cause of working for everyone in the municipality. Pointing out the geographic problems of Ward 2 she feels that the voters of Ward 2 have everything to gain by electing her. She said that she would like to see a better link between Haliburton and Harcourt.

The following items came up in the question and answer period that followed. Ski lifts, sanitary sewers, community centres, industry and the re-structuring of Haliburton County.

Murray Fearrey was the chairman for the meeting with all members of council being present with Len Salvatori and Rick Poole being the only two members from Dysart who showed up

from page one

on behalf of the Haliburton County Board of Education. School Board Chairman Mrs Dorothy Way and Dennis Waymouth were absent.

haliburton

COUNTY... where life is living - for everyone

News Letter

To-Night (Thursday) is the night that Mr. Frank J. Whilsmith will be in Haliburton to speak in the basement of the United Church in Haliburton on the subject of the Christian Children's Fund of Canada. The program starts at 9:00 p.m. Mr. Whilsmith, who was born in Toronto, was Art Director and Advertising Production Manager of the Robert Simpson Company in Toronto from 1938 to 1948. From the years 1948 to 1972 he owned and operated Whilsmith Advertising Company, an agency handling prestige and quality consumer accounts, several of them being international. He continues to hold a minor interest in this agency.

The Rotary Club of Haliburton has a big buck contest going, but the problem seems to be to find a Rotarian who shot a buck.

Work is continuing on the addition to the library in Haliburton and it shouldn't be too long before the project is completed.

Christmas should be a happy time for children. Yet, for many, Christmas is a time of sadness. Perhaps it's because their dreams haven't come true. They feel that maybe Christmas is only for others, not for them. But their dream can come true - for The Salvation Army, with your help, can bring a measure of happiness to less fortunate children. Remember, the joy we give to others is the joy that comes back to us.

For all those who open a New True Savings Account, True Chequing Account or a Chequeable Savings Account (Min \$25.00) or obtain a Firstbank Finance Plan Loan at the Bank of Montreal at Haliburton they will win a chance on a \$1,000.00 or a money tree. Draw to be held on December 2nd, 1974.

Time now to make plans to attend a play when the Haliburton Highlands Secondary School presents Everyday People an original review on December 6 and 7 at 8:00 p.m. Tickets are available from any Grade XII student.

The Christmas count-down has begun and shoppers are out in full force. The Ontario Safety League warns motorists to watch for pedestrians caught half way across the street. A vehicle coming from the opposite direction may frighten them into stepping back to avoid that vehicle and stepping right into your path. Watch for vehicles that might trigger such a reaction and be ready to brake safely.

Monday is municipal election day throughout the County of Haliburton and we urge all those no matter what township you are in to get out and vote. Make sure you do.

Now that hunting season is over for another year all reports show that not many hunting parties got their count. It seems to be this way every year now.

The first week in December has been declared nationally as Safe Driving Week, the Ontario Safety League reports. Drive like you'd like everyone else to drive ... all year around.

For those who have given us pictures of the past and they may not have appeared please be patient as we have a back log at the present time.

The Haliburton County Snowmobile Association has moved quickly to acquire not one but two additional grooming machines for the coming season. These are used Alpine snowmobiles, one discovered in the London area by director Went Hogg, and the other at an auction sale of government equipment at Huntsville. Both machines will likely require some minor servicing but it is expected that they will bump and grind around the county's trails for a good many days this winter.

Speaking of the county's trails. We have it on good authority that the Ministry of Natural Resources will have a substantial sum of money to spend for snowmobile trails this winter. And, for the first time in Ontario, snowmobile clubs are being asked to help devise ways of spending it!

The Ministry is currently seeking out chartered clubs and snowmobile associations with established trails and maintenance programs. And it comes as no great surprise (to me) that the Ministry is having rather poor success finding them. I have observed several clubs through enthusiastic organization, a year or two of promising growth, to disinterest and deterioration. It is unfortunate that when the government has finally moved to provide the assistance those clubs needed to stay alive they are not around to benefit from it.

The HCSA, on the other hand, not being a club in the true sense of the word was able to gain the interest and the support of a large sector of the business community, was able to qualify for assistance from the county, and thus managed to survive the early difficult years. It could not have done so had it depended entirely on snowmobiler interest.

I firmly believe that we should place a large portion of the blame for the failure of hundreds of snowmobile clubs precisely where it belongs, on the Ontario government. When it raised the \$2 per year registration fee to \$10 it effectively killed the incentive for snowmobilers to work at providing better facilities for themselves. Snowmobilers expected, and had a right to expect, that the government would follow that increase with a comprehensive trails program for them. Without incentive the clubs fell apart.

Now, more than two years later, the long-promised program is on the way. Fortunately for the snowmobilers of Haliburton County the HCSA is still hanging

in there. Membership, which experienced an upsurge with the development of the Tri-Trail and our first grooming project, continues to increase. New members to date for '75 added to last year's total gives us a potential of 243. However, if new applications continue to come in at the present ratio to renewals membership for 1975 will top the 400 mark. And it will not make us the least bit unhappy if it goes to 1000.

Joining is easy! There is no written examination. No long list of club rules. All we ask is that you observe the common safety rules and treat with due respect the rights and property of all others. Simply drop in to one of the people listed below with a five dollar bill in your hand, or slip a cheque in the mail to the Haliburton County Snowmobile Association, Box 151, Haliburton, Ont. Bob Jennings, Sandy Lane, Halls Lake; Steve Berry, Prentice Roads, Minden; Ken Bannon, Minden; Wentworth Hogg and Rob Luke, Wentworth's Marina, Alsaw; Brian Hunter, Lakeshore Marine, Haliburton; Kay Wyllie, Driftwood Coffee Shop, Haliburton; Joe Blair, Haliburton; Dennis Casey, Vance's Shell, Haliburton; Ken Fielding, Haliburton. Highland Cottage Care; Steve Langerap, Bell Marine, Harcourt; Don Cumming, Cottage, Soyer's Lake; Rick Perry, Cottage, Maple Lake; and this writer at Donald.

Centennial Corner

EMERGENCY MEASURES ORGANIZATION

The Emergency Measures Act 1962-63, as amended 1965, requires Counties and Municipalities to formulate a Plan to provide for the continued functioning of Municipal Government and the necessary services of a Municipality or Municipalities in the event of an emergency.

Victoria and Haliburton Counties' Emergency Measures Organization became active in 1964, with their headquarters in the Court House, Lindsay. The Executive Committee is comprised of seven elected officials, the 1974 members from Haliburton County being Deputy Reeve Douglas Russell of the Townships of Sherborne, McClintock and Livingstone, and Deputy Reeve Douglas Pritchard of the Townships of Anson, Hindon and Minden.

E.M.O. owns a fully-equipped rescue vehicle stationed in the village of Haliburton, with ten trained persons available for assistance in any emergency within the counties. There is a Base Radio station in the Lindsay Headquarters and another Base Radio station in Haliburton village, with the portable Radio stationed at Hyland Crest Senior Citizens' Home in Minden.

A number of written Plans have been prepared, involving Fire, Police, Communication, and Municipal Emergency Government Headquarters. Mr James Hall, E.M.O. Co-ordinator, has given many lectures to public groups regarding the Peacetime or Wartime capabilities of the Emergency Measures Organization. Other than this, there is no particular activity at this time in addition to providing assurance of help in the event of an emergency. The cost of operation is normal office expense, insurance, and salary, all of which is subsidized 75 per cent by the Federal Government, 15 per cent by the Provincial Government, and 10 per cent divided between the Counties of Victoria and Haliburton in proportion to population.

Go out and vote

This coming Monday, December 2nd is municipal election day throughout Haliburton County. This is the day that people will be going to the polls to vote for their favourite candidates who will be representing them for the next two years, both on council and on Board of Education.

Men in the past have fought and died so that you and I can live in a democracy and in a free country where we have the right to go and vote for the candidates of our choice.

It's easy for all of us to sit back on election day and say that we won't be bothered to go out and vote because it doesn't matter who gets in - we will still get the same old kind of municipal government. This thinking is wrong and it's just an excuse for not voting.

And then we have the people who never bother to go out and vote but always sit back after the election is over and kick about everything the council or the Board of Education is trying to do. If you didn't vote then you should be satisfied with whatever is going on.

Let us all make it a point now to get out and vote on Monday. Let us make it the largest polls ever seen here in Haliburton County.

Vandalism must stop

It is time that some people came to their senses. Here in Haliburton County in the past couple of months we have been hearing a great deal about the vandalism that is taking place in various areas in business and public property.

During the past few weeks, for example, there has been vandalism at both the laundromat at Haliburton and West Guilford and just last week two flags were taken from the flag pole at the cenotaph at Haliburton. Just where does it all end?

It seems a crime to think that some people who don't own anything themselves get a kick out of going out and breaking up other people's property which they have worked so hard through the years to obtain.

We hope in the weeks ahead that those responsible for these actions will be caught and brought into court.

It seems to us that it is time that we had a little action on this matter and that those who go around causing malicious damage start to grow up and act their age.

Safe driving week December 1-7

With "Safe Driving Week" (December 1st - 7th) now firmly established in the public mind - and it is Canada's longest running and best known safety campaign - there will be someone asking if these safety campaigns are really effective.

They are; and the Canada Safety Council has some figures that prove it!

Seventeen years ago Safe Driving Week was just a dream. The first week in December was selected partly because of its significance at the start of the winter and holiday season, but also because seventeen years ago, December had the worst record for traffic accidents and fatalities in Canada.

As the mass media gave their willing support to the campaign, numerous community agencies became involved in safe driving week projects, and greater interest

was taken at all levels of government, the driving public became gradually more aware of the hazards, with the annual barrage of reminders. The number of fatalities in the month of December began to drop. By 1972, seven months of the year had worse records for traffic fatalities, and six months have worse injury records.

On the other hand, December still leads the number of total property damage accidents by a wide margin, suggesting that more accidents happen at slower speeds and probably closer to home as drivers once again try to accustom themselves to wintry conditions. Each property damage accident is a potential for a personal injury or death.

For this reason the Canada Safety Council asks everyone to drive the way he'd like others to drive.

Warden Fearrey says:

Work together to achieve goal

Some fear a study on the restructuring proposals of our county, however if we work together to achieve the common goal of making our county a stronger and better place to live we shall not falter stated Murray Fearrey, Warden of Haliburton County when he addressed a large gathering at the 100th Warden's Banquet held at the Royal Canadian Legion Hall in Haliburton last Friday evening.

Warden Fearrey reminded those present of our Centennial Celebrations highlighted by Ontario Day at Ontario Place. Mr. Fearrey stated that the variety of activities carried on during the year throughout the County would have an historical impact on the history of our County.

Warden Fearrey in his remarks suggested that Haliburton County had successfully completed 100 years of history, 100 years of culture and 100 years of working and being together. He further intimated that the County of Haliburton could produce a vehicle through the restructuring study of our county to restore and continue the growth and progress of our county.

Mr Fearrey thanked everyone for their co-operation and support during 1974 and pledged his support to his successor for a stronger united county in 1975.

Mr Roy Brohm, Reeve of the Township of Dysart et al was chairman for the evening and recalled some of the highlights of the past year on county council and some of the activities that had taken place during this our centennial year. He had high praise for the present Warden of the County. Mr Murray Fearrey and stated that Murray was an ambitious young man who is really going places.

Reg Booth, Reeve of the Municipality of Anson, had the honour of introducing the head table guests which included, Mr and Mrs Bill Scott, Mr and Mrs Glen Hodgson, Mr Robert Fotheringham, Mr and Mrs Leslie Reynolds, Warden and Mrs Murray Fearrey, Mr and Mrs Stanley Smith, Rev. and Mrs John Smith, Mr and Mrs Robert Allison.

Gary Agnew, Reeve of the township of Monmouth had the pleasure of introducing

the many guests present on this occasion.

Sinc Nesbitt, Reeve of the township of Stanhope had the honour of introducing the past wardens of the county and the present municipal clerks.

Warden Murray Fearrey then introduced the members of the 1974 county council, members of the municipal staff of the Municipality of Dysart et al and his family and personal friends.

Robert Fotheringham, immediate past warden stated that he was pleased with the accomplishments of the county council during the past year and that the county was well served by having Murray Fearrey as warden. He said it was a privilege to have worked along with Murray who gave great guidance through the year.

Glen Hodgson, MPP stated that he was pleased to be associated with Murray Fearrey and members of the county council whose one aim was toward the progress of the county.

Mr Hodgson pointed out that centennial year celebrations joined everyone in the county together as one happy family and that the county stands high and is honoured everywhere. He went on to say that the province has shared in many municipal projects and will continue to do so in the future.

Bill Scott, M.P., congratulated the people who sponsored centennial year and stated that Haliburton County is on a good sound foundation. He told of the many people who had the foresight to plan this county. He went on to say that the future looks bright and there are great days ahead for Haliburton County. He dwelt a little on the local water problem and stated that we were lucky to have an outstanding warden such as Murray Fearrey.

Other speakers for the evening were Nila Reynolds, author of InQuest of Yesterday, and Stanley Smith Warden of Victoria County.

Mac McGillvray, Reeve of the Township of Cardiff graciously thanked the ladies of the Royal Canadian Legion Branch 129 for the delicious meal.

The remainder of the evening was spent in dancing.

Letter to the editor

Dear Sir

At times like this we are compelled to assess our situation. It is very nice to have so many people willing to represent us on local Council. Everyone, including me, has a different way of looking at issues, and it is hard to pick out people to do things my way.

Another way is to communicate, or, put our heads together and find common goals and policies to achieve them.

One of the most important issues is that of our Township clerk. He has applied for, and got, a job at Capreol for \$5,000.00 more than he was getting in Minden, which was \$13,000.00 per year, we understand. (More power to him) A time like this is not the moment for negotiations for wages. It should

not be made into an election issue. Policy of wages can be a platform for candidates. There are many good men dedicated to their jobs that are receiving low wages, especially in this area. There are many young people who are looking for opportunities who are educated and willing. Wouldn't a job in the Municipal Office be a stepping stone for them under the direction of a good and experienced council?

Inflation is a problem for everyone today, but some do not care how much it costs.

We owe a great deal to the people who have created the living standards that we enjoy today. We have to pay some with our respect, because we cannot pay all with money.

L. C. Northey

Pic of the Past

The Pic of the Past this week shows Farley Fountain in 1935 at his home in Little Haliburton. He is shown with some of his

wooden animals he had made. Our thanks to Mrs Harry Fountain of R.R. 1, Haliburton for bringing us this photo.

About that word honour

BILL SMILEY

HAD to make a speech the other night to the honour students at our school. I say "had to", because, the vice-principal, who is six feet twelve, told me I was going to be the guest speaker. I am five feet eight and a half.

However, I done my best, as we say in the English department. It wasn't much of a speech, but the remuneration was not exactly princely, either. Zero.

I abhor speakers at honour nights who get up there and praise the kids and tell them to stick in there and fight and be competitive, because that's what the world is all about.

I took rather a different line. I told them that being an honour student is chiefly a matter of birth. Either you are born with some intelligence, in which case you can walk through our school system, or you are born to a mother or father who makes you get off your lazy butt

and do some work. In either case, it was an accident, not something to sit around and feel self-satisfied about.

Both my kids were honour students, in Grade 9. And the boy could almost tie his own shoelaces when he was 14, and the girl was still knocking over her glass of milk at table when she was 14. From Grade 9 they went straight down hill. But I'm not too worried about them. They both have a *sense* of honour, and that's a lot more important, to me, than honour standing in school.

Some of the rottenest people, physically, morally and emotionally, whom I have ever met, have been honour students. With no sense of honour.

I was an honour student too, once, in Grade 8. This was back about the time of the Boer War. I knew I was about the smartest kid in the school, and was confident of coming first in Grade 8, or the Entrance, as we called

it. Entrance to what, I never did find out. Entrance to five more stultifying years of school, I guess.

Unfortunately, though I was the smartest kid in school, I was also the laziest. Eddie Kirkland, now a big corporation lawyer in Montreal, came first. I beat him up as soon as the results came out. This didn't solve my frustration. Muriel Robbins came second. I was going to beat her up too, but she was bigger than I, so I settled for third.

Third is a good place to be. You can't be accused of being a teacher's pet, as we called it, or a "brown", as today's youngsters so bluntly label it. On the other hand, you have proved that you are not a dummy. I've been running a comfortable third ever since.

I was the third member in our family of five. It was rather pleasant. I didn't have to compete with my older brother and sister, and I could bully my younger

brother and sister.

When it came time to take our lumps in the war, I still ran a comfortable third. My older brother chose to have himself blown up, rather spectacularly. My young brother, in a desperate attempt to get some recognition, won a decoration for bravery, after being shot down in the English Channel. (I don't see what's so brave about that.) I went quietly off to a prison camp, and emerged with three thousand dollars in back pay. They were both broke.

There's nothing wrong with being a third-place runner. I don't mind getting a little mud in my face, as long as I finish in the money.

Now let's be serious for a moment. I'd like to take a closer look at the word "honour". It's one of those abstract words that you hear less and less these days, as though it were embarrassing to utter them. Words like compassion and virtue and chastity and loyalty and

decency. People almost blush when they use one of them. It seems that we all have to be tough and callous.

From this "all", I would expect our young people, who are not afraid to talk of love and compassion and tolerance and kindness and pity.

They see only too clearly through the "plastic" world they have been bequeathed: a world of false values, lip service to ideals, and violence.

No wonder there is a generation gap. We worship the golden calf, and are flabbergasted when our kids see it for what it is: a graven image.

We want to sweep everything under the rug, so the neighbours won't see it. We want our kids to be "nice", and "sensible", and "solid", while they see the joy and the pain that is real human life.

These are some of the thoughts I shared with the students. In closing, I suggested, "Don't just be an honour student. Be an honour person."

Do you agree?

Haliburton Personals

Mr and Mrs Donald Dunsmore and sons have returned home to Winnipeg after visiting Karen's parents Mr and Mrs Elwin Robertson. Karen spent two weeks with her father after he returned from spending a week at the Haliburton Red Cross Hospital.

Mr Jack Neville was the lucky winner of the Haliburton Minor Hockey League 50-50 draw. He won \$229.40. The hockey Association would like to thank everyone who supported this draw.

Mr and Mrs Heinz Bock of Los Angeles were recent visitors at the home of Mr and Mrs Harold Bannon.

Mr and Mrs Paul Brohm of Port Hope were visitors

here over the past weekend.

Mr and Mrs Erven Hoxie of Toronto were visitors here over the weekend.

Mr and Mrs Bill Bannon of Toronto were recent visitors at the home of Mr and Mrs Harold Bannon.

Recent visitors to Haliburton with Mr and Mrs Chesley Burton at Whitby, were Mr Burtin's sisters, Mrs Ellen Rody of Santa Clara California, Mrs William Henderson of Ballard Vale, Mass., Mrs Scott McCole and Mr McCole of Oshawa.

All were impressed with the scenic beauty of the Haliburton area and especially enjoyed the view from Skyline Park.

Dear Sir

Re: Provincial Sewage Works
Programme No. 1-0034-66
Municipality: Township of Dysart et al
Date of Approval: 13th November, 1974

The Board has granted approval of the application for extension of service to properties on: York Street from Maple Avenue to Highland Street, Etc., Etc., (given in By-law # 74-7) in addition to the service approved under Board's file H.4693 and imposing of sewage rates therefor.

Formal order will issue in due course with invoice covering the Board's fee.

Water levels discussed

Mr. D. J. Gormley of the Trent Canal System in Peterborough attended County Council on Wednesday to discuss the problem of water levels on the following lakes. Contau, Horseshoe, Pine, Gull, Kennisis and Boshkung.

The invitation to have Mr. Gormley at this meeting came through the efforts of the member of the Water Level Study Committee of County Council, namely Reg Booth, Roy Brohm, Robert Fotheringham and Sinc Nesbitt.

This meeting was set up by William C. Scott M.P. Victoria-Haliburton and the following is the letter sent

back to Mrs. W. Lahay the clerk-treasurer.

Dear Mrs. Lahay:

As we are all aware, the past season has seen the greatest fluctuation in water levels of our lakes for some years. Throughout the summer months, my office had weekly discussions with the Trent authorities in respect to this matter. The greatest problems as reported to me by letters and calls were on Contau, Horseshoe, Pine and Gull Lakes.

Following receipt of your letter and correspondence regarding Contau, I again discussed this matter with the Department. It is my understanding that Mr

Gormley of the Peterborough office will be attending County Council on November 20th. I also believe that the Haliburton Highlands Property Owners Council will be meeting with the officials of the Department in Toronto later this month.

Thus I trust that over the winter months the results of these and other discussions can be considered so that we will all experience a better season next year in respect to lake levels. Rest assured of my continued concern and interest in this important matter.

With all best wishes.

Sincerely yours,
William C. Scott, M.P.,
Victoria-Haliburton.

Murray Fearrey of Haliburton is the new reeve of the Municipality of Dysart et al. He was unopposed for this position and received an acclamation. Murray is a past president of the Rotary Club of Haliburton, past chairman of the Dysart Planning Board, Honorary member of the Haliburton Branch of the Royal Canadian Legion and a member of North Entrance Lodge. The new reeve served for two years on council representing Ward 1 and for the past two years he has served as deputy-reeve. During the past year he has been Warden of Haliburton County. The new Council will be inaugurated in January 1975.

Cookouts successful despite bad weather

On Thursday evening November 14 the 1st Haliburton Scout Troop went on a cookout. There were 26 Scouts and four leaders present at this event. Despite the cold wet weather, we were able to get fires going and successfully cook our supper. The scouts enjoyed this so much that we are planning to have a cookout once a month, even during the winter season.

During the month of January or February the Scouts are planning a winter campout. This is an activity that takes a good deal of teamwork.

On Thursday December 5 we will be having our official investiture. This is the time when the new boys or older

cubs become registered scouts.

During our meetings we have a time for presentations. Robert Smith talked and displayed an excellent example of curve stitching. Philip Smith talked about his purple martin bird house that he constructed in the shop at school.

We have now selected a new time period for Scouts. The meetings are now every Thursday after school from 4:00 p.m. to 5:30 p.m.

A special thanks from the Scouts and Cubs goes out to Mrs Phyllis Woodcock. She has been kind enough to make our neckerchiefs that are worn by the boys as part of their uniform. These neckerchiefs are put together from the Haliburton Tartan.

Lower cost housing is one of our greatest needs.

This is what Ontario is doing to help provide it.

Ontario today has more houses and more new housing programs than ever before. We are, unquestionably, among the best housed people in the world.

But the cost of housing, for both owners and renters, has increased sharply in recent years.

With this in mind the Ontario Government has developed many programs to ease cost pressures and help make more housing available. Four such programs are:

1. Ontario Home Renewal Program (OHRP) offers grants and loans for home improvement through local municipalities to low and moderate income homeowners. It is particularly directed to the rehabilitation of sub-standard dwellings, with emphasis on faulty structural and sanitary conditions,

and the up-grading of plumbing, heating and electrical systems.

2. Community-Sponsored Housing Program supports the development of reasonably priced housing through non-profit housing corporations operated by groups or municipalities. Grants to these groups—which may include labour unions, churches, welfare agencies, educational and charitable institutions, and service clubs—cover up to 10% of the value of a housing project. In return, the group makes available up to 25% of the project units for Ontario Housing Corporation's rent supplement program.

3. OHC'S Assisted Rental Housing for Families and Senior Citizens provides accommodation for the elderly and for families, on the basis of rents geared to income. Its purpose is to subsidize rental payments for people 60 years of age and older and for low-income families.

4. Home Ownership Made Easy (H.O.M.E.) Plan brings home ownership within the reach of many moderate-income earners. Houses are built on serviced lots which are then leased by Ontario Housing Corporation to new homeowners who have the option of buying the land after five years. This combination makes lower-than-normal down payments possible.

If you would like more information or free literature on these four housing programs, write:

New Bus Terminal

Travelways Ltd. have released details relative to the relocation of the Lindsay Bus Terminal to a new site in the East Ward.

The new, modern facility will begin operation on Sunday, December 1, 1974 and is located at 175 Colborne Street East just west of Verulum Road. Mr. Gerald Stock, President of Stock-Algar Coach Lines Ltd., pointed out that Lindsay is now the headquarters for Travelways Line Route Operations. The new premises which will be company owned and operated will enable the company to consolidate its operations in Lindsay, thus providing better service to the travelling public.

In addition to the Bus Terminal, the new location will accommodate the company's charter and tour departments as well as the general and administration offices. In addition, maintenance and storage facilities for the company's school bus and motorcoach fleet will be located here.

The new terminal will be ultramodern in design with loading bays for four coaches at any one time. Plenty of free parking is available for customers with a separate area being designated as a taxi stand.

Lindsay Town Council at its meeting on Monday, November 18 approved an extension to the Town Bus Route serving the East Ward. Commencing Monday, December 2nd, the Lindsay Town Bus Route will operate through the new terminal as part of its regular East Ward Route. This change does not necessitate any change whatever to the existing routes nor will it involve any significant change in the timing of the Town Bus in other areas of the Town.

Mr Stock stated that it was intended that the new terminal be a real credit to the Town of Lindsay while enabling the company to provide improved service to its customers. He pointed out that the new premises will be clean, modern and well lit. Air-conditioning and stereophonic background music will provide a pleasant atmosphere. Light lunches and refreshments will be available from a modern vending machine installation.

Travelways presently operates 35 return trips per week between Lindsay and Toronto with 14 return trips scheduled weekly between Lindsay, Peterborough and Port Hope. Daily service is also provided between Lindsay and Orillia, Lindsay and the Haliburton Highlands and Lindsay-Bobcaygeon. Convenient connections to points throughout Ontario and beyond are possible at transfer points at Toronto, Peterborough, Port Hope and Orillia.

The new terminal facilities in Lindsay will enable the company to cope effectively with the steadily increasing number of passengers being transported on the various routes operated by the company. Improved Bus Parcel Express facilities are also available at the new location.

New routings for coaches from various areas arriving in and departing from Lindsay will be announced in detail next week. However, it was revealed that inbound coaches will stop in the downtown area to discharge passengers before proceeding to the Colborne Street East Terminal. Hours of operation of the new Terminal will also be announced shortly.

Trapper Education

By: G.K. Winterton
Fish and Wildlife Supervisor
Recently the Federal and Provincial Governments have co-operated in funding trapper education programs as part of an overall campaign to inform the general public of the importance of fur management, to improve traps and trapping methods, and to convey these trapping methods and fur handling techniques to trappers.

The Bracebridge District of The Ministry of Natural Resources recently held two days of trapper education, one at Bracebridge and one at Burk's Falls.

A well-known local trapper, Ralph Bice of Kearney, gave trappers instruction on methods of handling fur to produce a top quality pelt and on humane trapping methods. Furbearers were skinned and stretched under the keen eyes of 65 trappers at Bracebridge and 23 trappers at Burk's Falls, many of whom are experienced trappers in their own right. This represents almost one-third of the trappers in the Bracebridge District, which straddles Highway 11 from Severn Bridge to Trout Creek.

A number of different sets were demonstrated using

leg-hold traps in drowning sets, Conibear traps and snares. Many members of the audience contributed their own "tricks of the trade" and good discussions were held on the best and most humane ways to catch the various furbearers.

Ministry officials discussed aspects of fur management such as licensing, quota systems, and collections of carcasses for research purposes.

During the 1973-74 trapping season the value of fur taken in the Bracebridge District (based on average prices at four sales) was \$207,000 which is approximately \$85 worth of fur for each square mile of the District. There were more beaver, fisher, marten, mink and otter harvested per square mile in this District than were harvested in the Algonquin Region on the average. Algonquin Region embraces the Districts of Pembroke, Algonquin Park, Bancroft, Minden, Bracebridge and Parry Sound.

Although 6,000 beaver were harvested from the 2,450 square miles comprising Bracebridge District, these animals remain at nuisance proportions throughout much of the District, and other furbearers are

also remaining relatively stable in numbers.

The trapper education workshops will hopefully increase the harvest of beaver to approach the quota of 10,000 animals, and will improve the value of the fur through better handling. Beaver represent 70% of the fur bearers taken (not counting muskrats) and 70% of the value of the fur, and there is a potential to increase these values by 40%.

Trappers, even the experienced ones, who attended the workshops, felt they were very worthwhile and that they had learned a great deal. It was unfortunate that more trappers were not able to attend, but perhaps they will next year. Many trappers requested future workshops that could be held over two or three weekends so that more time could be spent on these important aspects of trapping.

Ralph Bice, who has instructed in Ontario, New Brunswick, and Newfoundland, summed up the value of these workshops when he stated that one of the most important things that occurred was that trappers had learned from each other.

To the Ratepayers of Ward 1 Dysart

I deeply appreciate the acclamation you gave me returning me back to office for another two years. My work will continue to see that we get up to par with other Municipalities in the Province of Ontario. I am very interested in your municipal problems. Please give me a call.

Yours very truly

LET'S HAVE A STRONGER VOICE
ON COUNTY COUNCIL

NOTICE

NOTICE of application to The Ontario Municipal Board by the Corporation of the Townships of Anson, Hindon and Minden for approval of a by-law to regulate land use passed pursuant to Section 35 of The Planning Act.

take notice that the Council of the Corporation of the Townships of Anson, Hindon and Minden intends to apply to The Ontario Municipal Board pursuant to the provisions of Section 35 of The Planning Act for approval of By-law 74-40 passed on the 13th day of November 1974. Provisions of the By-law are furnished herewith.

By-law 74-40 being a by-law to amend By-law 14-67 being the Restricted Area By-law, to re-zone certain property "Seasonal Residential".

Whereas authority is granted under Section 35 of The Planning Act, R.S.O. 1970, subject to the approval of The Ontario Municipal Board to the Council of the Corporation of the Townships of Anson, Hindon and Minden to exercise such power.

Therefore the Council of the Corporation of the Townships of Anson, Hindon and Minden enacts as follows:

1. Schedule "A" is to be interpreted as forming a part of this By-law.
2. In this by-law 'Seasonal Residential Dwelling' means a single-family dwelling house constructed and used as a secondary place of residence for seasonal vacations and recreational purposes only, by one who maintains a permanent dwelling at another location.
3. On the lands shown as seasonal Residential (SR) on Schedule "A" a maximum of one seasonal residential dwelling unit per lot may be erected together with accessory structures incidental to a seasonal dwelling unit provided the setback and yard requirements, as established in Section 4 and Sections 5.2 and 5.3 of By-law 14-67, as amended, are complied with.
4. The lands shown as Open Space (OS) on Schedule "A" will be used for park land purposes.
5. By-law 74-29 is hereby repealed.

Read a FIRST, SECOND and THIRD time and passed this 13th day of November, 1974.

Reeve

Clerk

ANY PERSON INTERESTED may within fourteen (14) days after the date of this notice, send by registered mail or deliver to the Clerk of the Townships of Anson, Hindon and Minden notice of his objection to approval of said by-law, together with a statement of the grounds of such objection.

ANY PERSON wishing to support the application for approval of the by-law may within fourteen (14) days after the date of this notice send by registered mail or deliver to the Clerk of the Townships of Anson, Hindon and Minden, notice of his support of approval of the said by-law together with a request for such notice of hearing that may be held giving also the name and address to which such notice should be given.

THE ONTARIO MUNICIPAL BOARD may approve of the said by-law but before doing so, it may appoint a time and place when any objection to the by-law will be considered. Notice of any hearing that may be held will be given only to persons who have filed an objection or notice of support and who have left with or delivered to the Clerk undersigned the address to which notice of hearing is to be sent.

THE LAST DATE FOR FILING OBJECTIONS WILL BE DECEMBER 5th, 1974.

DATED at the Townships of Anson, Hindon and Minden this 21st day of November, 1974.

Richard Parisotto, A.M.C.T.
Clerk-Administrator

News from the Cub Packs

Pack B. The following boys were invested into Cubs recently. Joining the Black Plume six were Mike Parish, Scott Wells and Tim Winters. New boys in Brown Tip were Andrew Bishop and Tim Fearrey. David Bishop Doug Wells and Jamie Bain joined the Red Fang Six.

Some boys have been working on badges. Boyd Brooks was given his black star. This is the first of five stars that boys may try to achieve. The Black star deals with the Natural World. The next star, the Blue star, is concerned with the organized world. The Green Star stresses self-reliance and learning Scout crafts. The Red Star encourages boys to develop good grooming and creative skills. These stars become gradually more difficult and if completed will help to make a more rounded-out and knowledgeable individual.

Another part of the Cub program includes achievement badges which are separate from the star

program. These badges require particular skills or knowledge and are usually suited to each boy's interests. Receiving his swimming badge was Rick

Trapping Tales

By Elmer Sawyer

By 1920, Dad had younger sons to take trapping, and my older brother, Ross and I were on our own most of the time. It was on this occasion that I went trapping with my good friend, the late Norm Linton.

Norm had made a new cedar canoe. It was 13½ feet long, 26 inches wide and 8½ inches deep. It weighed about 48 pounds.

Going up Gibson Creek we were getting soaked with rain, and Norm suggested that we turn the canoe over and crawl under it. Then he decided we should open a bottle of cherry brandy that he had brought along in case we caught a cold. I don't know when the rain stopped, but when we awoke the next day, the sun was shining. We were on our way with not quite as much to carry.

Around Otter Slides, White Trout and Lake LaMuir we set 80 or 90 No. 4's for beaver and about 100 small traps for mink, martin

and fisher. Norm wanted to go up to Purley Lake and on up to Burnt Route where there was a Ranger camp. He said that the Rangers would be away for the weekend and we would stay in their cabin. This seemed rather adventurous to me, but Norm was known for good judgment, and it was new country for me.

We left LaMuir about six in the morning and arrived at Purley Lake about 3:30 p.m. There hadn't been a sound all day except for the drip of the paddles and the haunting calls of the loons. We headed for Upper Lake, but suddenly saw a canoe coming toward us. We got across the lake and threw out traps in a creek and headed west. They took down the shore to head us off, which they did, the they didn't catch us with out traps.

They introduced themselves as Mr. Moody and Mr. Patterson and said that we had to go with them. I was young and lippy and said

that I wouldn't go, but Norm in his quiet but firm way said "Come on." Mr. Moody prepared the supper, and Mr. Patterson got the wood and water. What a treat for supper! We ate heartily of the potatoes and vegetable. After supper our hosts brought out a map and asked Norm to mark off the route we followed coming in. Norm marked off a route, but not ours.

They were a sporting pair, and wanted to play cards. We obliged. They noted very carefully our names as we wrote them down. We played for awhile, but I could not content myself that the kind of hospitality of the Rangers was sincere, and I knew that they had other plans for us. Norm seemed so sure of himself that it made me nervous.

Well, nothing takes the zip out of a card game like your partner getting the diarrhoea, and this seemingly happened to Norm. At first, the Rangers took turns

escorting him to the outhouse, but finally hanging our guns at the head of their bed, and placing our shoepacks beside their bed, they turned in for the night. By this time, I had caught on to Norm's trick and from eating food that I wasn't accustomed to, I developed the diarrhea too. We were not allowed to leave together for the out house, but each time we went, we put something in the canoe. One one trip, I removed the lock off the clasp figuring on locking the door on the outside on our last trip. Then about 3:30 in the morning with Mr. Moody and Mr. Patterson snoring a pretty duet, Norm quietly lifted the guns, and I the shoepacks, and we were on our way. Thanks for the lovely supper, gentlemen, but don't look for us back. We started to run in our sock feet, and Norm slipped in a mud puddle and I fell on top of him.

We stayed in the bush most of the day, and when it got dark we went back to get our traps out of the creek and returned to Island Lake.

Card Of Thanks

I wish to take this opportunity of thanking those who nominated and encouraged me to stand for the office of Reeve in the Municipality of Dysart et al.

I will endeavour to serve everyone to the best of my ability.

THE EXPROPRIATIONS ACT

NOTICEOF APPLICATION FOR APPROVAL TO
EXPROPRIATE LANDTHE CORPORATION OF THE PROVISIONAL COUNTY
OF HALIBURTON

IN THE MATTER of an application by the Corporation of the Provisional County of Haliburton for approval to expropriate lands in the Township of Harcourt.

FOR THE PURPOSE OF the reconstruction of the Elephant Lake Road (County Road #10).

Notice is hereby given that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice. The approving Authority is

The Corporation of the Provisional County of Haliburton, Minden, Ontario.

The Corporation of the Provisional County of Haliburton
D. Jack Cox, County Engineer

NOTES

1. The Expropriations Act provides that,

(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows: "owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the property registry, land titles or sherriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the following lands:

1. In the Township of Harcourt, in the Provisional County of Haliburton, in the Province of Ontario, being,

(a) Parts of Lot 22, Concession 6, designated as PARTS 2, 3 and 5, on the Corporation of the Provisional County of Haliburton plan, deposited in the Registry Office for the Registry Division of Haliburton (No. 19) as Plan 19R-495.

This notice first published on the 28th day of November, 1974.

Let's Get Minden Moving Again

DEAR TAXPAYER:

My name is Bill O'Brien and I am a candidate for Reeve in the Municipality of Anson, Hindon and Minden.

I have been a business man in Minden for the past five years, and have served the community both as a director of the Chamber of Commerce and as a member of the Minden Rotary Club.

I am writing this letter to assure you that, once elected, I will serve this municipality with integrity and dedication, and that I will make every effort to re-open the clogged lines of communication between council, particularly the office of Reeve, and the people.

Unless this municipality acts decisively now, the threat of Regional Government from a distant centre looms very large. Part of my platform is to devote extra time to seeing that this does not occur here.

This municipality has been taking a back seat in the county for too long. Both Provincial and County funds for many projects have gone to other areas because our representatives have not established close relationships with the Provincial Ministers or their County Colleagues.

Recent events, coupled with plans currently in the mill for our municipality, make this election a crucial one.

The advance poll will be held at the Municipal Building on Saturday, November 23rd. Election Day is Monday December 2nd.

Your support will be greatly appreciated.

Sincerely

Bill O'Brien

VOTE BILL O'BRIEN FOR REEVE

ANSON, HINDON & MINDEN

Council of Anson, Hindon and Minden meet

The Nineteenth Meeting of the Council of the Townships of Anson, Hindon and Minden was held on Wednesday, November 13, 1974 in the Council Chambers of the Municipal Building commencing at 9:00 a.m. Reeve Reg Booth in the Chair. Present were Deputy Reeve Douglas Pritchard, Councillors S. Brandon and R. Gorrie, Richard Parisot, Clerk Administrator, J. Earl Hewitt, Road Superintendent, Richard Schell, By-law Officer.

S. Brandon-D. Pritchard That the minutes of the meeting of October 9th, 1974 be approved. Carried.

S. Brandon-R. Gorrie Whereas a need for senior citizens housing has been shown for this area.

Therefore the Corporation of the Townships of Anson, Hindon and Minden hereby petitions the Ontario Housing Corporation to undertake a survey to confirm the need. Carried.

Letter and petition was received from Mr. Harold Elstone and several surrounding property owners requesting improvements to a certain section of the Soyers' Lake Road.

R. Gorrie-D. Pritchard That the Road Superintendent be directed to review the road improvements requested in the letter of Mr. Harold Elstone with petition attached and report back to Council at the earliest date. Carried.

Mr Bill Balfour, District Officer and Mr Frank

Reinholz, Senior Inspector, both of the Ministry of the Environment were present to meet with Council to discuss general mutual areas of concern.

Council received and considered 47 written objections and 1 petition objecting to the proposed closing of a road allowance in Lot 9, Concession 9, Township of Minden in the vicinity of Hart Lodge. Mr. J. Malcomson was present to speak in opposition to the proposal. Mr and Mrs Earl Crawford were present to speak in support of the proposal.

S. Brandon-R. Gorrie Whereas objections have been received to By-law 74-33 proposed, being a by-law to stop up and close and sell part of a certain road allowance in Lot 9, Concession 9, in the Township of Minden;

Whereas such objections clearly outline prejudicial effects on the lands and rights of certain property owners;

Therefore be it resolved that By-law 74-33 be not passed. Carried.

Recorded Vote
Yea: S. Brandon, R. Gorrie, R. Booth
Nay, D. Pritchard

Letter was received from Mrs. Ruby Windsor, Secretary-Treasurer of the Minden Winter Carnival advising the Council that no Carnival Committee is in operation and it appears that no Carnival will be organized for January.

Council directed the Clerk to appeal to the Kinsmen and Rotary Clubs to consider assuming responsibilities of operating the Carnival being two of the few groups with the organizational ability to save this traditional celebration.

Mr and Mrs Robert Scott were present regarding a proposed severance in Lot 10, Concession 5, Minden Township.

R. Gorrie-S. Brandon Whereas application #H84-73 was submitted on May 3, 1973, being prior to By-law 74-14 as passed in March, 1974;

Therefore said application for Severance #H84-73 be hereby approved. Carried.

Mr. G. Heywood was present on behalf of this matter.

D. Pritchard-R. Gorrie That Severance Application

#363/74 by Kellett, Burch, Graham, Hummel and Kellett as revised and submitted to Council be approved and we hereby recommend to the Land Division Committee that no further severances be permitted on this property or any parts thereof. Carried.

Letter was received from Mr. S. D. Elliott regarding the proposed watermain extensions on Highway #35 and requesting that his property be fully serviced rather than partially as outlined on the proposed plans.

Council directed the Clerk to contact the Consulting Engineers and the Ministry of the Environment on procedures for this request with the caution that the

LADIES AND GENTLEMEN OF WARD 2

Your support at the polls on December 2nd would be much appreciated.

Your representative for ALL of Ward 2.

John Johnson

LET US BE FAIR

Ward 2 has been represented from the west end of the Ward for over 12 years.

We believe we should have representation from Harcourt and Dudley, in order to have proper representation for the Municipality.

I pledge if I am elected to Ward 2 that I will work for the whole of the Municipality.

Nancy O'Neil

Council of Anson, Hindon and Minden meet

original project is not to be delayed as a result. Mr. Elliott to be advised of Council's actions.

R. Gorrie-S. Brandon That the Accounts be approved in the following amounts: General - \$9,890.66; Water - \$821.86. Carried.

R. Gorrie-D. Pritchard That the Road Accounts be approved in the amount of \$16,429.85. Carried.

D. Pritchard-Shirley Brandon That the Clerk arrange for a "Candidates Night" to be held on Wednesday, November 27th, 1974 at 7:30 p.m. in the Minden Community Centre. Carried.

D. Pritchard-R. Gorrie That we petition the Ministry of Transportation and Communications for the annual interim subsidy on road expenditures. Carried.

R. Gorrie-D. Pritchard That applications #74-68 to #74-70 inclusive under Sec-

tion 636(A) of the Municipal Act be approved in the amount of \$255.62. Carried.

D. Pritchard-R. Gorrie That we purchase 1/2 page in the Chamber of Commerce Booklet for a cost of \$175.00. Carried.

S. Brandon-R. Gorrie That the proposed 1975 Ambulance Budget in the amount of \$20,770.00 be approved. Carried.

D. Pritchard-S. Brandon That the report of the Clerk dated November 11th, 1974 outlining a further 5% discount for prepayment of water consumption bills on an annual basis be approved and authorized for 1975. Carried.

R. Gorrie-S. Brandon That By-law 74-38 having been read a first time be considered as read a second and third time and passed. Being a by-law to

authorize the Reeve and Clerk to execute a lease with the Ministry of Government Services for court accommodation. Carried.

S. Brandon-R. Gorrie That By-law 74-40 having been read a first time, be considered as read a second and third time and passed.

Being a by-law to amend By-law 14-67 being to Restricted Area By-law and further to establish a

"Seasonal Residential" zoning. Carried.

S. Brandon-D. Pritchard That By-law 74-41 having been read a first time be considered as read a second and third time and passed.

Being a by-law to accept certain property in Lot 4, Concession A, Anson Township. Carried.

R. Gorrie-D. Pritchard That we do now adjourn. Time 5:40 p.m. Carried.

Gems of Truth

THE WAY OF CAIN

The little letter bearing the name of Jude stands in Holy Writ at the door of the closing days of the Church age as described in Revelation chapters 1-3. It was written under Divine constraint to meet a special condition in professing Christendom. Jude verses 3 and 4. The teachers who were causing the trouble are clearly described in Jude verses 8-19. Peter also mentions the same in his second letter to the Church,

chapter 2:1-3 also chapter 3:3-4. Among the different things said about these teachers is the fact that they have gone in the "way of Cain". Jude verse 11.

What is meant by the "way of Cain"? When one remembers that the Lord Jesus spoke of two specific ways and their ultimate destiny, the "way of Cain" becomes very clear and understandable. The "narrow way" of which Jesus spoke is the way He described in John 14:6 where He said "I am the way, the truth and the life, no man cometh unto the Father but by me". The "broad road" as the Lord reveals in Matthew 7:13 represents man's own way,

the way of human religion. These two ways are illustrated in the first born sons of Adam and Eve which were Cain and Abel.

Here we need to consider that saving grace does not run in blood lines, Romans 5:12-14. No one is born in righteousness but all are conceived in sin Romans 3:9-19. Cain and Abel were alike by birth and nature, the only difference in them was the nature of their sacrifices offered to Jehovah God Hebrews 11:4. When Cain was born, his mother Eve made this statement. "I have gotten a man with the help of Jehovah. (A.S.V.) Eve undoubtedly believed she had given birth to the "Promised Seed" the world's Redeemer Genesis 3:15. The "way of Cain" would still like to be that very thing.

Cain was a religious man so brought an offering to Jehovah of his own workmanship. Perhaps he also thought he was the

promised Deliverer, so felt quite important and pride filled his thoughts. In 1 John 3:12 we read that he was of the evil one, his true character being reflected in his offering. His actions are the way of human reasoning and natural religion as is so vividly described in 2 Timothy 3:1-5 also 2 Peter 2:1.

The "way of Cain" is the way of wilful unbelief and rejection of truth as set forth in God's Word. 2 Timothy 4:3-4, 2 Thessalonians 2:10-12. Jehovah God did not reject Cain because he was a morally bad man but because he brought a bloodless offering, one of his own choosing. Hebrews 11:4. The "way of Cain" is the way of rejection of the true way of salvation, making the Divine Son of God a mere created being, a mere man to follow. No one enters into the presence of the Lord God on this basis. Matthew 22:12-13.

FOOD FOR THOUGHT: The true Gospel of Christ is the only antidote for the "way of Cain".

News from Halls Lake

We are sorry to learn of the passing of Mr. William Lewis in Hamilton. He and his wife have been regular summer residents at their cottage for some years and were regular attenders at Euchre and Bingo parties at Club 35 while here at Hall's Lake. His friends and neighbours will miss his helpful personality.

A very successful Centennial Christmas Tea and Bazaar was enjoyed at Hyland Crest last Wednesday and several folks from Hall's Lake and Boskung attended and assisted. Many thanks to those who contributed with candy and home-baking and gifts for the various tables, Jean Irwin for making place favours, table centres etc. and Campbell's Garden Centre for the beautiful head table centrepiece which was won by Grace Coburn, who convened the affair.

Sympathy goes out to Hazel Welch who recently received news that a sister had passed away in Kirkfield.

The snow came just in time for the hunters to enjoy some good tracking and on Saturday we understand

some of the parties were successful in getting their objective.

"Meet the Candidates' Night" at Club 35 for Stanhope Township was well attended. Every present Council member wishing to be returned to office gave a good accounting of their accomplishments, committee work and desires for the future. The School Board members gave comprehensive reports and voiced their concern, but gave legitimate reasons for the rising costs of education.

The three new candidates for council were introduced to the gathering of taxpayers and each spoke well of their previous experiences, and why they wanted to run for office. The one new trustee candidate also spoke. A respectful audience gave each candidate a fair chance to speak. Gerald Bain, Clerk-Treasurer, chaired the meeting with business-like procedure and had a "Question and Answer" period which gave everyone the opportunity of airing their doubts and worries about all sorts of problems, many of which,

when answered, cleared up what appeared to be misunderstandings. There is no doubt about it that the Reeve, Mr. Nesbitt, has worked very hard to iron out many "top brass" problems and he gives a lot of credit to his Deputy Jim Harrison and the other councillors each of whom has worked on various committees.

Great appreciation was expressed to the new Stanhope Fire Department and it was interesting to hear that an ambulance service is something expected to be added in conjunction with the firehall on the North Shore Road - and certainly something Stanhope has been in need of for some time.

Although the meeting was held up for some time awaiting the party opposing the present reeve, he did not appear. Each of the others was called upon alphabetically and had his or her information well at hand when the chairman called each name.

Yes, it was a great meeting and a pleasant time was spent after it was adjourned when coffee and doughnuts were enjoyed.

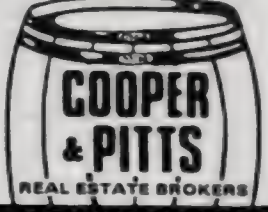

Cottagers and residents had a chance to talk with each other and got to know each other a little better, which is the way it should be in these summer areas.

WE NEED YOUR LISTINGS. YOU NEED OUR SALES

News items from Minden

Mrs Lawrence Hogg was the lucky winner of the second Snowball at Rotary Bingo last Thursday night. She won \$136 in 22 numbers called.

Sincere sympathy to the families and friends of the late Mrs Mark McKay and Mrs Sid Archer whose funerals were held last week.

At the Mini-Card Party last Thursday afternoon at the Parish Hall winners were: for cribbage, Cora Hewitt and Lilian Davidson; for euchre, Mary Maidens and Alice Hopper and lone hands, Mae MacArthur with Isobel Harrison having high score in bridge.

This week, during the day, you may visit Campbell Garden Centre and see the grand display and perhaps order flowers, plants or Christmas favours.

Many people were pleased to enjoy a delicious lunch at the United Church Hall last Friday in its Christmas Setting and also could buy a few hand-made gifts or home baking.

Once again there was Book Exchange of 200 books in all sections among the nine branches of Haliburton County Libraries. This Exchange rotates the books and you will find a good selection of books at your branch. With exams over in the public schools many of these students are working on projects. If you are newcomers, do drop in at

your library, you might be surprised at the variety there for your enjoyment.

Bradley Robinson and David Trepanier of Western University were home for the weekend with their parents.

Mrs Delbert Hie and her daughter and grandchildren visited relatives and friends over the weekend.

Saturday night the Harold Coulters had a family party at their new home with all their immediate family present as well as other relatives.

Congratulations to the newlyweds Mr and Mrs Myles Gartshore (nee Kathy Eastman) who were married on Saturday.

A new arrival is Krista Maureen, first grandchild for Mr and Mrs J.S. Blears and Mr and Mrs E.H. Hamilton and first baby for Jane and Bruce Blears.

Laura and Rollie Boileau have moved into their home

over the bridge across from the docks.

Mr and Mrs George Donovan have left this village to live in an apartment in Aurora.

A wedding of local interest took place recently in Orillia on October 11, when Foster Dale Loucks, youngest son of Mr and Mrs Vinton Loucks was united in marriage with Dianne Slewelling, only daughter of Mrs Margaret and the late Robert Slewelling of Barrie. The marriage was performed by the Reverend Alice Higginson of Orillia; Foster and Dianne both work in Penetanguishene. Congratulations to the newlyweds.

Belated good wishes to these ladies at the Hyland Crest Home who celebrated birthdays in November: Edith Allcorn, Gladys Dennis, Jane Fairfield, Pearl

Elstone and Lily Redner.

Ruby and Art Windsor and Milly were present Sunday at the Christening of their granddaughter Shannon Suzanne, daughter of Mr and Mrs George Savage at St George United Church, Toronto. Mrs Ruth Brown was hostess serving tea and coffee after the service.

All his friends send good wishes to Grant Hewitt who is a patient at Toronto General Hospital for surgery.

We wonder if those on Cable T.V. will have to take up another petition with regard to interference on Channel 9. Not such good reception on CTV these past several weeks.

The community welcomes the new owners of the Dominion Hotel, Mr and Mrs William Harrison and Mr and Mrs Robert Greig.

In Memoriam

STAMP - In loving memory of a dear Father and Grandfather, Cecil, who passed away Nov. 19, 1970.

Our hearts are like a memory book, Its pages father dear, Hold all the loving thoughts of you Recorded year by year, A book of golden yesterdays Bound with love and care, A rare edition, father dear Because you're treasured there.

Sadly missed by Brant, Eileen and family.

In Memoriam

STAMP - In loving memory of a dear Father and Grandfather who passed away four years ago, Nov. 19, 1970.

What we would give if we could say Hello Dad, in the same old way; To hear your voice, see your smile, Sit with you and chat awhile, So you who have a father, Cherish him with care, For you'll never know the heartache Till you see his vacant chair. Sadly missed and lovingly remembered by son Grenville, daughter-in-law Fay and family.

HOWE - Annie, In loving memory of a dear mother who passed away Nov. 26, 1972.

Though absent you are very near Still loved, still missed and very dear. Lovingly remembered by the family.

Thank-You

Haliburton Minor Hockey would like to thank the ladies of the association and Mr & Mrs Moss McCracken for serving and cooking the meal for the referees clinic held on Nov. 16th.

I wish to express my sincere thanks to my many friends for their letters, cards, phone calls and visits during my recent illness and also a big thanks to the doctors and nursing staff of Haliburton Red Cross Hospital for their excellent care. Elwin Robertson.

I wish to express my sincere thanks to my friends from Eagle Lake and West Guilford for their letters, cards and flowers during my recent illness and also a special thanks to the doctors at St. Joseph's Hospital in Peterborough. Tom Mung-ham.

Notice

TO WHOM IT MAY CONCERN
